

SNOW FLOWER CONDOMINIUMS

Area Maps

Driving Directions

Under normal driving conditions, driving time from the airport should take approximately 45 minutes.

Follow the signs leading you to I-80 Eastbound. You will continue on I-80 Eastbound to the Park City/Kimball Junction exit (Exit 145) and turn right.

Continue approximately six miles into Park City and turn right at the stop light marked Empire Ave. Take the first "right" on Silver King Drive and at the end of the road (only 2 blocks long) you will find the first building of the Snow Flower Condominiums on the left.

Our office is located on the first floor of the first building.

Driving Instructions From the Airport

Leaving Salt Lake City International Airport, follow the exit signs to Interstate 215 Southbound. Follow I-215 South in a loop around the city until you reach I-80 Eastbound towards Cheyenne/Denver. Continue on I-80 East through Parley's Canyon and exit at the Kimball Junction Exit for Park City (Exit #145). At the end of the ramp, run right, and follow Highway #224 towards Park City. This highway will become Park Avenue as you enter the city limits. Turn right onto Empire Ave., which is a little difficult to recognize. The sign actually reads "Deer Valley Drive" to the right and "Empire Ave to the right. There is a Jan's Sport and Cole Sport on each corner. Take your next right onto Silver King Drive. Go through the stop sign and follow the road to bldg #2 to the underground parking. Take elevator to 2nd floor and look for the sign indicating where unit #60 would be located. You can park in any permit parking spot. The permit must be placed in your car on the rear-view mirror.
